

Enroll in Easy Pay and Level Pay!

Always forgetting to mail your bills? Make bill paying easier on yourself.

Easy Pay

Monthly payments will be automatically deducted from your checking or Visa/MasterCard account.

Signing up is as easy as completing the application below and attaching a VOIDED check or providing your Visa/MasterCard information. Be sure to SIGN your form and send it back with your next utility bill.

You will know you are enrolled when a message appears on your bill stating "AUTOMATIC EASYPAY IN EFFECT." You will receive a statement every month showing how much we will deduct from your checking or Visa/MasterCard account. You will have 10 days to look over your bill and ask any questions before the charges are applied.

Level Pay

Spread utility costs throughout the year by averaging your monthly charges. Allows you to predict your utility expenses each month, and average out high and low bills. To enroll, you must be a gas customer with active service for at least three months, and owe only a current amount on your utility bill.

Combine Easy Pay and Level Pay

Make bill paying easier by having a similar amount deducted from your checking or credit card account each month.
